Hello First Folks,

Your Session has some good news for you all concerning our search for a new Pastor. The Presbytery of the Peaks Committee on Ministry granted us permission to hold a congregational meeting to elect our Pastoral Nominating Committee (PNC). This meeting will be held on March 1st immediately after the 10:30 a.m. worship service. The PNC will consist of 5-7 church members representing male, female and younger and older members.

After the PNC is elected, they will be trained by the Presbytery staff and then their work will begin. The Session has also decided to look into possibly hiring an interim Pastor to serve our church until a new full-time Pastor is in place. A transition team consisting of Don Cherry, Carter Henderson, Sandi Hughes, and Mike Rand will explore this possibility. Things are starting to move along now. We have been told by Presbytery staff the time it usually takes to locate and have a new Pastor in place is about 8 to 12 months at best. I have always believe things happen for a reason and our reason for being patient with this process is to give God time to help us find the best fit for our Church.

Thank You and God Bless,

Carter Henderson

(A First Presbyterian Ministry)

Dear Don,

Thank you for your email and a big thank you to 1<sup>st</sup> Pres. This is a big help to us as our expenses continue to creep up (basically as our kids get older). We are doing pretty well but have been quite busy. Andrea continues to home school the children (7<sup>th</sup>, 5<sup>th</sup>, 3<sup>rd</sup> and kindergarten) and the year is going well. Generally, the month of December is the busiest for us as it is the one time each year that people are generally more open to hear some of the good news as they are curious about what Christmas is. Please pray for our time with people that month.

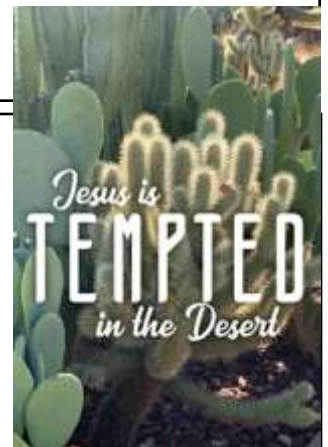

Ministry wise, I continue to work with locals to share the good news and try and help them with some fledgling groups of new believers in the countryside. This poses quite a challenge (getting there, sometimes interference from authorities or family / neighbors opposed to the good news, and often people have varying abilities to read the word), but the Lord continues to bring increase. A big prayer is for Him to give confidence and a clear calling to those who are leading these groups. Often, they are just gathering people (which is good), but we are really praying that the Lord would give them a passion for His word themselves and for them to grow in their ability to teach it to others.

Additionally, Andrea and I are leading a marriage course with our team for 2 months at a time. We are on our 2<sup>nd</sup> group so far and this group is entirely made up of non-believers who are business owners. There is a lot of brokenness in their relationships, but we have been able to get to know them as time has gone on and are getting opportunities to speak into their lives. Please pray that they would be willing to deeply work on their marriages together as we share Biblical marriage principles with them and please pray that through this, they would desire to know the Father who restores all things.

Blessings brother, and please greet everyone at 1<sup>st</sup> pres. You can share this email with them if you like.

In Him,

Art Carter Jr.

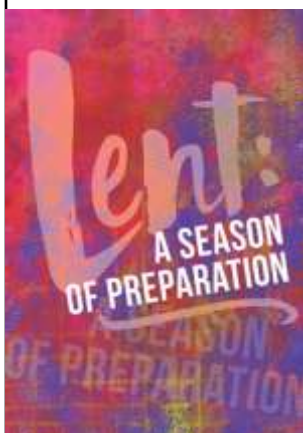

**Shrove Tuesday and Lent background** - As we recognize various liturgical calendar events we may want to ponder the origin, meaning, and our role as Christians with those events.

It is believed that Christians celebrated the first Ash Wednesday in the Early Middle Ages. This marks the beginning of the Lent season, a time they fasted. Though "Lent" is not taught in scripture, the 40-day period seems to be based on 2 episodes of spiritual testing in the Bible: the 40 years of wanderings by the Israelites after their exodus from Egypt and the temptations of Jesus after spending 40 days fasting in the wilderness.

According to Presbytery USA, Lent is viewed as time to add a spiritual discipline to our lives for a deeper relationship with Christ rather than a time to give up something in our lives.

Because early Christians began fasting on Ash Wednesday, Tuesday was the day to consume the perishable foods that would not last so as not to waste it. It was also the day before they began their fast to obtain absolution of sins by confession and repentance, which is the meaning of the word, "shrive". They were then "shriven", that is, became "shrove". That Tuesday is known as "Shrove Tuesday" and with the gluttony of the day became known in modern times as "Fat Tuesday". As the common perishable foods were fats, milk, and eggs (among others), pancakes were prepared and consumed.

## “Search My Heart”

As Easter is approaching, I often think of the sacrifice Christ made for me. I heard a story that touched my heart: Several students were taking a religious class which concentrated on the parables. As they went in to class for their final they found a note that the final had been moved to another building across campus. There was also a caution

that the final must be completed within a two-hour period from that moment. The students all rushed across campus as quickly as they could. As they hurried they came upon a little girl crying because of a flat tire on her bicycle. They saw an old man with a cane, struggling with a load of books heading toward the library. They also saw a homeless man, who was clearly upset and in distress. They continued and rushed into the other classroom where they were met by the teacher who informed them that they had all failed the final. Though they had learned, over several weeks, all about the Savior’s life, they failed to recognize the application of what they had learned from Christ’s example. Jeremiah 31:33 “saith the Lord, I will put my law in their inward parts, and write it in their hearts.” In Romans 2:15 we learn “For as many of you as have been baptized into Christ have put on Christ”. We should be following His example as we are His.

We are all tested through life, and if we truly understand the scriptures and the example Christ has set for us, we would reach out and help those in need, when we see others’ struggling. This is a sure sign of our character. Character has been defined as “one’s actions when no one is around”. Our true character shines through our actions and cannot be hidden. As Psalm 139:23 states: “Search me, O God, and know my heart: try me, and know my thoughts. This is where our character will shine or give us away.

The Lord has provided so many blessings, and the best way for me to repay Him is by helping others. This story gave me pause. Perhaps I should search my heart and see if I am recognizing what is right before me. The Lord helps us often through others, and perhaps I am to be the one to help another. When we love and show compassion for others, we show charity. The scriptures tell us “charity is everlasting love” and “charity is the pure love of Christ, and it endureth forever; and whoso is found possessed of it at the last day, it will be well with him.” What powerful thoughts. I pray that when the Lord looks upon my heart, He finds it full of charity and love for my neighbor, and that I will be found serving those around me. ~ *Sherolyn*

### 5 cents-a-meal - (Our version of the 2 cents-a-meal) Presbytery of the Peaks program

Two Cents-a-Meal invites every member of your congregation to prayerfully contribute a few cents at each meal to help alleviate hunger and poverty. Ideally, contributions come from “living more simply so that others may simply live.” Participation in is also a commitment to share with others in response to Jesus’ command, “You give them something to eat.”

The two Cents-a-Meal concept originated with Presbyterian women to provide an opportunity for individuals and families to participate in a corporate response to world hunger. The Presbyterian Women’s Birthday Offering funded a hunger program that started the Hunger Action Enabler network in 1973. In November 1975, Florida resident Rosellyn Calvert, whose own family was struggling financially, asked God what she could do to help those suffering from hunger and poverty around the world. She was led to give just two cents a meal. The Calvert family committed to each give two cents, and in April of 1976 Rosellyn shared the concept with her presbytery. Today, most presbyteries encourage the contribution of two cents (or more) per person at each meal, reminding individuals, families and groups each time they eat of the needs of others and our call to respond as Christians to their hunger. Daily participation is a reminder of the reality of hunger for millions of our sisters and brothers in the world. As the money accumulates, those participating become aware that small, regular acts can result in significant responses to hunger and that there is great strength in working together with other Christians.

We at First Presbyterian have traditionally given to this fund on the last Sunday of each month. This collection will change in March to be on the Third (3rd) Sunday of each month. This will enable us to send the Presbytery the funds collected inside the same month it is collected.
